The sum of Rs 1,602/- represents only the Establishment and Tools and Plant Charges, calculated at 18 per cent on the amount of the estimate for Rs 8,879/- sanctioned in G.O.No.L. 1144-7/L.B. 46-28-1 dated the 10th August 1929 for the work. No comparative statement is necessary as in other respects -- there is no change in the estimate.

7) 3. The State Contribution of Rs 1,570/- sanctioned in G.O.No. L.6423-4/L.B.24-29-60 dated the 4th March 1930 is in respect of the portion of the road in the Bangalore District, whereas, the estimate in question refers to the portion of the road in the Kolar District.✓

8) 4. The road runs in two Districts, viz., Bangalore and Kolar and for the Kolar District portion the estimate is ~~due for the bill~~ sanctioned in two parts one for the bit from Sidlaghatta to Melur and the other, for that between Melur to the Bangalore District Boundary.

9) 5. For the portion of the road in the Bangalore District, an estimate amounting to Rs 10,700/- was sanctioned in G.O.No.L. 7708-11/L.B. 29-24-33 of the 30th June 1926, and a supplemental estimate for Rs 1,926/- to cover the Establishment and Tools and Plant Charges was sanctioned in G.O.No.L. 464-5/L.B. 46-28-17 dated the 18th July 1929.

(7) 7. As regards the other section of the road namely from Melur to District Boundary, the estimate for Rs. 8,879/- sanctioned in G.O.No.1114-7/L.B.46-28-19 of the 10th August 1929 has to be treated as an original estimate and not as a revised one. Including Establishment and Tools and Plant charges, the ---- amount of this estimate will be Rs. 10,481/-. The fresh estimate for this amount, sent with this office letter No. 12603 dated the 15th April 1930. may therefore be sanctioned early, cancelling the sanction accorded in the G.O. dated the 10th August '29, referred to above.

Letter No. 10397 dated the 13th March 1930, from the Superintending Engineer, Mysore Circle, to the Chief Engineer of Mysore, Bangalore.

SUBJECT :- An estimate for extending Sidlaghatta Vadigenahalli road beyond Melur, upto District Boundary in Kolar District.

In continuation of my predecessor's letter No. 6990 dated 10th December 1929, on the above subject, I have the honor to submit herewith a fresh estimate for the above work for Rs. 10,481/=, inclusive of Tools and Plant charges, in supercession of the estimate for Rs. 8,879/= sanctioned in Government Order No. L.1114-7/L.B.46-28-19 dated 10th August 1929 but wrongly designated therein as a revised estimate.

There are two portions in Kolar District of the road from Siddlaghatta to Vadigenahalli. The first was from Sidlaghatta to Melur and the other from Melur to the District Boundary. The former was sanctioned in Government Order No. L.2991-3/L.B.37-23-10 dated the 6th October 1924 for Rs. 6,630/= and was in operation.

The estimate sanctioned in the first Government Order quoted --- above is for the latter work and is an original estimate and not a revised one. The Government Order may therefore be caused to be modified suitably, the sanction being for an original one, and for Rs.10.481/= inclusive of Tools and Plant charges.

The cost has to be borne by the District Fund and the State Fund in the proportion of 3:1 the District Fund share being Rs. 7,861/- and the State Fund share. Rs. 2.620/=.

There is a provision of Rs. 2,000/= for this work in the Kolar Dist. Board Budget for the current year. Very early modified orders on the estimate submitted herewith are requested.

A revised estimate for the portion of the road upto Melur which is practically completed has been called for from the Executive Engineer and is awaited. It may be mentioned that there is a separate provision of Rs. 2,000/- for this work in the District Board Budget of the
